# Top 3 Reasons Why Business Gifting Is Important

1. **Strengthening relationships with clients and team members is more important than ever**, and gifting is an easy way to show appreciation. Last year alone, we shipped hundreds of thousands of business-related gifts for recipients in all 50 states.
2. **Gifting can reflect a valued relationship**, creating loyalty between the giver and the recipient.
3. **Memorable gifts, including artisan selections and those that are personalized, are a way to show thoughtfulness**, further deepen connections, and encourage recipients to continue working together.
