True Prime

U.S.D.A. Prime Rib is an exquisite, classy cut for your holiday table.

Of all of the classic holiday roasts, U.S.D.A. Prime Rib, also known as a Standing Rib Roast, is the most exquisite. Getting a supply of the very best in the world is not an easy accomplishment. Our selection process starts with looking for cattle that have been raised naturally without the use of antibiotics or growth hormones ever! From these cattle, only those that have received the U.S.D.A. Prime grade will be selected. Less than 2% of all cattle receive this top grade and that translates to the superior flavor.

The "U.S.D.A. Prime" distinction is an important one. So many use the name "prime rib" to identify beef from the rib section and to make the roast sound fancy (but it's lacking the qualities that exemplify a U.S.D.A. Prime distinction). Ours is true prime beef. The meat will have a creamy white fat, firm texture, and fine marbling dispersed throughout that melts evenly when cooked, leaving the meat juicy and tender. A U.S.D.A. Prime Standing Rib Roast truly is something to celebrate. Reserve yours now!

THE HOLIDAY PEAR

The Gem of the Season

THE HOLIDAY PEAR IS HERE! With its sweet, buttery, creamy texture, it's easy to understand why we are so excited for its arrival each year. Grown in Hood River Valley, Oregon, the climate is just right for this extremely sensitive pear. Just one bite and you'll understand why no other pear can compare.

This regal Comice pear, which originated in France under the name *Doyenné du Comice*, is the crème de la crème of fruit. Our goal when choosing a grower is to find a high quality Comice pear that is picked at peak time for freshness, packed with great care to avoid bruising, and is grown with integrity.

We are proud to have found all of these things to be true when we traveled the Pacific Northwest to Duckwall Fruit. Established in 1919 by the Duckwall family, this fourth-generation grower partners with other small family farms in the Hood River Valley of Oregon. The result of these family farms

joining together under Duckwall Fruit are multiple generations of family farmers who are growing Comice pears from well-established trees that are 40+ years old with reputations for greatness. As Nathan Duckwall says, "plant apples for the day and pears for the heirs" meaning that apples grow faster but pears will bear fruit and livelihood for generations to come.

Once the Holiday Pears arrive to DLM, we handle them with great care as we build towering displays. Look for signs noting which pears are "ready to eat now" or "ready in a few days." It's quite frankly the caviar of pears that is best enjoyed uncooked. Simply slice and enjoy, layer into a salad, or turn the page for some most delicious PEARings.

In addition to enjoying throughout the holiday season, we also have a Holiday Pear gift basket, available for in-store pick-up or to ship nationwide. [DorothyLane.com/HolidayPear](https://dorothylane.com/HolidayPear)

Bite-Size

ELEGANT ENTERTAINING

Special ingredients can make simply beautiful, savory hors d'oeuvres a snap for your holiday table. I have the distinct pleasure of being the Culinary Director at DLM, which entails feeding hundreds of guests for key events like our sellout Food & Wine Show, featuring 20+ bite-sized morsels circling on platters. I get asked all the time how I come up with so many different types of elegant and bite-sized hors d'oeuvres. The secret is that each one is centered around a key ingredient and complementary flavors on a serving vessel.

To start, you can't go wrong with DLM Artisan Breads as a base for canapés. Next, experiment with caviar; we have plenty of varieties and price ranges. I love our new trout roe for its beautiful rosy color and the Ikura King Salmon Caviar tastes like a celebration. You can see that a little glam can go a long way with crafting a bite-sized spread to kick off a memorable holiday gathering!

We're continually humbled by the unwavering support of our community as we follow Vera Jane Mayne's words example to "always do the right thing." Her words are echoed in DLM's values, mission statement, and in our Good Neighbor Program.

The Good Neighbor Sack is a way to give directly to area food pantries during the holiday season, featuring food items recommended to us by local food banks. Once a Good Neighbor Sack is purchased at our stores, we coordinate the donation with area food banks and they distribute the items to those in need.

To participate, simply let your cashier know and they will ring up your gracious donation. **The Good Neighbor Sacks are \$20 each or 2,000 Club DLM Rewards points.** We want to thank everyone for their support and for helping us continue Vera Jane Mayne's initiative!
