Our Bread & Butter

After so much work is put into these artisan loaves, similar care should be given to what goes on each slice. That's why we source premium spreads and preserves, rich in fruit flavor and texture, as well as artisan honey and dips.

A. Les Comtes de Provence Strawberry Spread

These jams are 65% fruit and light in cane sugar, cooked in traditional Provincial pots. *Additional flavors available online.* | **\$7**

B. DLM Asiago Cheese Bread

Our bakers marry our French Baguette dough with one of Italy's most popular cheeses, Italian Asiago, to make this fun, cheesy loaf. | **\$10**

C. DLM Raisin Walnut Bread

This bread is packed with healthy jumbo flame raisins, golden raisins, and California walnuts! Before baking, the mixture is equal parts by weight of raisins and walnuts to dough. | **\$9**

D. DLM Salted Artisan Butter

DLM Salted Artisan Butter is non-GMO and made with A2 Guernsey cream that comes from locally raised Guernsey cows. The resulting butter is rich and creamy. | **\$10**

Early Risers

If cooking is artistry, baking is chemistry. Our bread tastes so good because our bakers have mastered these elements—the age-old craft of slow, natural fermentation of numerous types of bubbling, aromatic, and often finicky dough. Once the dough is ready, we hand shape every loaf and then bake them in our hearth oven. State-of-the-art equipment is a plus, but most of all, it is the passion of our Artisan Bakers that makes DLM Artisan Bread very special. Buy a few loaves and see why!

Truffle Grilled Cheese Kit

Truffles and cheese is a match made in heaven! This kit comes with DLM Handmade Fresh Mozzarella and Parmigiano-Reggiano as the stars, combined with Regalis Black Truffle Tapenade and last, but not least, DLM Sourdough provides the perfect vessel to encapsulate these magical ingredients. | **\$65**

Hot Stuff Grilled Cheese Kit

Now this is a grilled cheese sandwich that is all grown up! Drizzle Mike's Hot Honey on two pieces of DLM Asiago Cheese Bread, layer on the spicy sopressata and Cruculo cheese, and grill. The richness of the cheese and golden crunchy bread are balanced by the sweet heat of the honey and sopressata. | **\$50**
