Killer Brownie®

PREMIUM INGREDIENTS
High quality and clean.

***"I've been wasting
my whole life on
bad desserts
until now."***

—Rachel, Killer Brownie® recipient

Killer Brownie® was a hit in our stores from the moment we introduced it in our Bakery back in the late 1970s. Now, happy people all over the country can indulge in this gourmet brownie—a sweet extension of our love of good food. From the Original Killer Brownie® has grown a signature collection of flavors and seasonal additions.

SIGNATURE COLLECTION

THE ORIGINAL

This is where it all began—the tried and true original recipe. Layers of rich fudgy brownie folded with crunchy pecans hug a layer of signature caramel that's sprinkled with chocolate chips.

SALTED CARAMEL

A touch of coarse sea salt is sprinkled into the rich, buttery caramel in the center of this decadent brownie with pecans. It's then finished with chocolate curls.

TRIPLE CHOCOLATE

Rich chocolate brownies hug a layer of signature caramel that's sprinkled with chocolate chips then finished with—you guessed it—more chocolate chips.

PEANUT BUTTER

The creamiest peanut butter snuggles with melt-in-your-mouth caramel, between layers of Belgian chocolate brownies that are folded with salty roasted peanuts.

COOKIE DOUGH

The warming taste of a chocolate chip cookie marries with the allure of a Killer Brownie®. This flavor holds off on the nuts, but lets chocolate chips take center stage as they nestle in with the smooth and decadent caramel.

CONFETTI

Rainbow sprinkles bring the party to this moist blonde brownie featuring a layer of creamy caramel and white chocolate chips.

WE PROUDLY BAKE *Artisan Bread*

There are no shortcuts when it comes to true Artisan Bread—hand-shaped loaves with perfectly golden, chewy crusts that house airy interior. Our cadre of artisan bakers bake from scratch using old-world methods, natural fermentation, and time-honored techniques. This is coupled with their instincts of knowing just what to do with the finicky behavior of dough.
