Dorothy Lane Market Anticipates Summer Opening, Announces Hiring Fair

MASON, OHIO—Dorothy Lane Market anticipates a summer opening for its fourth location in Mason, Ohio, which will be the locally owned and operated grocer's first footprint in the Cincinnati area. In preparation for this, a DLM Mason Hiring Fair will take place May 16 & 17, at the Springboro Dorothy Lane Market location. *Details below.*

Known for its exceptional quality of food and customer service, the gourmet grocer will bring roughly 300 new jobs to the area with its upcoming fourth location. "The enthusiasm has been building both internally and externally. With the hiring fair, we're ready to start the process of growing the DLM family of associates at Mason," says Maureen Sammon, DLM HR Director. Currently, Dorothy Lane Market employs about 900 associates between its three existing locations and DLM Bakehouse, where artisan breads, pastries, and many more favorites from its award-winning bakery are made fresh. "Seeing the preparations begin for opening day, all of us at the City recognize it's more than a milestone," said Eric Hansen, Mason City Manager. "It's the culmination of years of hard work, collaboration and shared vision. We're grateful for the friendships developed in this process. It's rewarding to find in Dorothy Lane Market a partner that matches the City's focus: global as well as family-centered."

Dennis Chrisman has been named the DLM Mason Store Director in addition to being one of the grocer's vice presidents. He brings with him 45 years of experience working for the gourmet grocer. "In my lifetime career that I've had at Dorothy Lane Market, I believe this chapter to be the most exciting one yet," says Chrisman. At the hiring fair, interested candidates can partake in on-the-spot initial interviews and take a store tour to learn more about DLM. "The hiring fair is a kickoff to the interview process," says Chrisman. "With full-time and part-time options across all departments, opportunities are plentiful for someone who wants to start a great career doing something that they love and making people happy."

The upcoming Dorothy Lane Market in Mason is located at the corner of Mason Montgomery Road and the newly constructed Veterans Parkway. It's a part of a mixed-use planned community, co-developed by Traditions Building & Development Group and Western Row Land Developers. Ground broke in November of 2023.
